# 2025 ROYAL QUEENSLAND ICE CREAM, GELATO & SORBET AWARDS PRESENTED BY KING STREET

---

The Royal Queensland Ice Cream, Gelato & Sorbet Awards presented by King Street was the first in the country dedicated to judging the best in sorbets, gelato, and ice cream. Since its introduction in 2011 as a standalone competition, entry numbers have remained high, confirming it as one of the nation's premier dairy competitions.

The 2025 competition will see the competition continue to deliver high quality in judging and exhibitor feedback reporting, with comparison reports provided for each exhibit entered.

Renowned international food judge, cheesemaker and dairy connoisseur, Russell Smith, will once again be the Chief Judge for the competition. With more than 25 years of experience in the industry, he will oversee an expert judging panel made up of some of Australia's most respected and experienced food industry professionals.

# MESSAGE FROM THE CHIEF JUDGE

---

## CHIEF JUDGE

RUSSELL SMITH

With so many changes in the manufacturing side of the dairy industry in the last couple of years it's more important than ever for competitions like the RQA to keep up to date with the changing landscape of dairy manufacturing.

There are now just three large companies involved at the bigger end of the industry. Two of them huge international producers having Australia only a very small part of their business. We need to engage them in our competitions and the wider industry to promote a positive outlook for dairy in Australia.

The RQA Cheese and Dairy Competition and the Ice Cream, Gelato and Sorbet Competition continue to attract the best judges in Australia. This is due to the very high professional standard of the event organisers at the RNA as well as enthusiastic support from the CEO, Brendan Christou, through all levels of competition organisers.

Their support is crucial in maintaining the highest possible standard and integrity of the judging process.

I am always pleased to be invited to oversee the judging of these two great competitions.

# MEDAL ARTWORK

Gold, silver and bronze in each class or subclass and overall champions will be awarded with certificates and the right to use the Royal Queensland Awards medal artwork on their winning products.

RNA will provide winners with a medal template in PDF or JPEG format. It is the exhibitors' responsibility to arrange their own printing.

An exhibitor shall not advertise or allow to be advertised by any means whatsoever and in particular by broadcasting, television, pictorially or in writing, the fact that any exhibit has won an award at the Royal Queensland Awards unless such advertisement shows clearly:

1. The name Royal Queensland Ice Cream, Gelato & Sorbet Awards;
2. The year of the award;
3. The class in which the award was won;
4. The title of the award or trophy won where applicable.

The use of gold discs, silver discs and bronze discs to promote anniversaries, events, sponsorship and the like, must not be used. Stickers and symbols or other devices should be sufficiently differentiated from show medals in terms of shape and/or colour to ensure no confusion.
