## Pouring up the ultimate night of award-winning wine and food

Tickets are on sale now for one of Brisbane's most anticipated award-winning wine and food experiences, with Grape Grazing by Night returning to the Brisbane Showgrounds this July.

Taking place on Friday 10 July in the Exhibition Building, the event is a three-hour roaming-style tasting experience showcasing entries from the Royal Queensland Awards (RQA) wine competition supported by King Street and The Star, including dedicated trophy and medal tables featuring some of the finest drops from across the country.

Complementing the wine offering is a menu designed by the Brisbane Showgrounds' world-class chefs, featuring RQA award-winning produce served across gourmet grazing stations, including cheese boards, antipasto, slow-cooked beef, lamb cutlets and dessert.

Alongside wine, there will also be a dedicated beer section featuring a selection of RQA award-winning craft brews.

Adding to the atmosphere, guests will enjoy live jazz music throughout the evening, creating a relaxed yet sophisticated backdrop for a night of grazing, sipping and socialising.

Grape Grazing by Night offers a rare opportunity for the public to experience the RQA beyond the judging room, bringing together Australia's best wine and produce in one unforgettable evening.

The event will run from 6-9pm on Friday 10 July, with tickets available online by [clicking here](#).

The RQA is one of the most prestigious food and beverage competitions in Australia, spanning beef, lamb, cheese and dairy, ice cream, wine, beer, and spirits.
